*IMPORTANT NOTICE REGARDING WEEKEND &
HOLIDAY
STARTING TIMES !*

The following policy will once again be used for the 2021 season as needed:

PRIORITY DRAW:

will be given to those slips having **all members listed** on them.

EXAMPLE:

Smith
Stevens
Johnson
Jones

SECONDARY DRAW:

will accommodate those slips that have **any members names and a number listed / guests names listed** on them.

EXAMPLE:

Adams
Berry
\
4

RESTRICTIONS:

Please be careful and observant **in making sure that a members' name does not appear more than once** on any lottery slip. Any lottery slip(s) in this scenario will be ineligible for a starting time for the current weekend.

Starting times must be cancelled no later than twenty four (24) **hours in advance of the scheduled time** or those in violation will not be eligible for the following weekend's starting time lottery.

The word "guest" will no longer be valid to use. With the above, the pro shop staff will be able to distinguish a slip with all members listed versus a slip with some names and a number which will signify that guests are reserved for.

The Management is confident in the continuation of this policy in that it feels with more of the facility's members playing together on weekends and holidays, there will be better opportunity to draw a starting time much closer to requested times.
